<b>Stories That Can Change Your Life</b>  with Ellen van Cleef	Books and stories offer us glimpses of the grit and glory of pilgrimage. They also bring us comfort and hope as we connect with the characters, finding ourselves moved by their struggles and rooting for their redemption. God can use stories to move our hearts and inspire in us spiritual transformation as Pilgrims of Hope. This workshop will explore how the themes of pilgrimage and hope emerge in storytelling and story listening/ reading, both in fiction and in real life. We will reflect on what it means to be the main characters of our own stories and "protagonists of history," like Pope Francis has called young people to be.	A	Arts and Crafts
